

School Education Department,
Secretariat, Chennai-9.

Letter No.1684/EE3(1)/2019-2 DATED 25.01.2019

From

Thiru Pradeep Yadav, I.A.S.,
Principal Secretary to Government.

To

The Director of School Education,
Chennai-6.

The Director of Elementary Education,
Chennai-6.

Sir,

Sub School Education Department - Teachers participating in the JACTTO-GEO indefinite strike - to protect welfare of Students studying in Government Schools - Appointment of temporary teachers for one month and action taken against the teachers for unauthorized absent - certain clarifications issued - Regarding.

Ref: Letter No.1684/EE3(1)/2019, dated 24.01.2019

In continuation of the letter issued in the reference 1st cited, it is further clarified that the instructions have been issued with concurrence of the Finance Department vide its U.O. No.239/FS/P/2019 dated 24.1.2019. As there was no fixed estimate of expenditure, a policy decision has been taken and entire expenditure on engagement of new teachers through Parent Teachers Associations would be borne by the Government. Therefore, Parent Teachers Association need not worry about their financial conditions to support this activity. It has also been decided to enhance the

consolidated amount from Rs.7500/- to Rs.10,000/- with the concurrence of Finance Department.

It has also been mentioned clearly that at least one teacher should be in place by Monday (28.1.2019) so that schools are opened and run smoothly without any break for students. However, PTAs would explore the possibility of engaging teachers to the extent of sanctioned strength in the schools in due course. PTAs must ensure a transparent process so that school gets the most talented person as teacher.

The above instructions are to be adhered to scrupulously.

Yours faithfully,

for Principal Secretary to Government
