All districts.

R.c. no. /A11/SS/ trg/20 date: 16.11.2020

Sub: SS– List of teachers for online training on teacher development
programme on ICT facilities- Level 1 - reg

Samagra Shiksha has planned to conduct online development programme on ICT facilities - Level 1 to government school teachers to expose them on various features that are available online (free tools) which would help them to reduce their content preparation time and increase their efficiency of teaching. It's a five day program with a session of 1.5 hrs per day to teachers. The basic requirement to attend the online training is to have a smart phone and computer/ Laptop with internet facility.

The list of government school teachers, who have basic awareness about ICT and are willing to participate in the online training, are required in the google sheet annexed. The training schedule will be intimated later.

Hence all the Chief Educational Officers are instructed to get the list of willing government school teachers to participate in the online training on or before 21.11.2020 in the google sheet.

Annexure: Google sheet for list of teachers
