Letter No.C1/23207/2020

Dated - 22/12/2020

Sir,

Sub: Movie on awareness about Road Safety - Request to watch  
and publicise - Reg.

A Tamil Movie titled "Patchai Vilakku", largely based on Road Safety has been  
recently produced by M/s Digithink Media Works, Chennai.

This movie seems to have a very good potential to create awareness in the  
society regarding Road Safety.

Although Tamil Nadu has achieved a considerable reduction in the number of  
road fatalities and injuries, we still have a long way to go. In our concerted efforts  
towards safer roads, we have been encouraging and supporting volunteers who  
come forward and participate in this mission.

Since, your Department is one of the major stake holders and fore runner in  
this awareness mission, it is suggested that your department may kindly issue  
suitable directions to all the Offices to participate in the road safety awareness  
mission activities and watch this movie PACHAI VILAKKU available in the OTTMOVIE  
APP (downloadable from google play store) and [www.ottmovie.in](http://www.ottmovie.in) website and gain  
more awareness on road safety issues by and large.

Suitable instructions will be given to the volunteering company M/s. Digithink  
Media Works to co-ordinate and facilitate for the same.

Thanking you

Yours Truly

Tenkasi S Jawahar
