Sir,

Sub: School Education – GPF – Final withdrawal applications and Pension – instructions to be issued – Regarding.

Ref: From the Accountant General (A&E), Chennai-18 Letter No.FMI/IV/2020-21/155/47015, dated 08.02.2021.

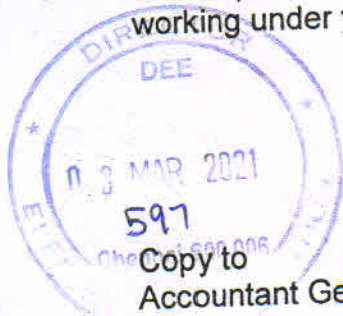

I am directed to invite attention to the reference cited, wherein it has been stated that on a review of the date of receipt of applications for final closure GPF, it was noticed that many applications are received from the DDOs only after the date of retirement. In spite of repeated request, many applications are not received in time and also in incomplete shape which leads to unnecessary delay in settlement of GPF accounts and retirement benefits. In order to have timely payment it was also requested by the Accountant General to forward the applications for final closure and also pension proposals in respect of those who are due to retire from Government service from 02.05.2021 to 01.06.2021 duly signed by the subscriber and counter signed by the DDO, if not sent already, at an early date to enable Accountant General's office to finalise the account and settle the balance in time and authorize the pensionary benefits. The fact of sanction of any loan from his/her GPF account after submission of application may please be intimated to 'THE SR.ACCOUNTS OFFICER, FM I', by SPEED POST ONLY by the DDO.

2. In this connection, I am directed to enclose a copy of the Accountant General's letter in the reference cited along with its enclosures and to request you to take expeditious action as advised by Accountant General in respect of the persons working under your control.

Yours faithfully,

M. Nirmala

The Principal Secretary to Government,
Education Department,
Government of Tamil Nadu,
Fort St. George,
Chennai 9.

Sir,

Sub: GPF – Application for Final closure of GPF – reg.

Please refer Rule 13 (5) of GPF (TN) Rules, wherein it has been prescribed that the GPF final payment application shall be forwarded to this office four months prior to retirement (i.e) during the last four months in which subscription is stopped, failing which the departmental officers should be held responsible. However, on a review of receipt of applications for final closure of GPF, it has been observed that many applications were received from the DDOs only after the dates of retirement of the subscribers. In spite of repeated request in the past, the applications in many cases are not received in time or received with incomplete information / documents, resulting in avoidable delay in settlement of GPF claim to the subscribers / claimants. Consequently, the financial well-being of the retiring personnel is compromised.

With a view to authorise final payment of GPF in time and also to avoid undue hardship to the subscribers due to delay in settlement of GPF claim, the DDOs under your control may be instructed to forward the final closure application four months in advance of retirement as per Rules. To facilitate early forwarding of the applications by the DDOs, a list of subscribers who are due for retirement during the period from 02/05/2021 to 01/06/2021, along with the months of missing credits in their GPF account, is enclosed for ready reference.

The DDOs may be requested to furnish the recovery details for the missing credits while forwarding the application for final closure of GPF to enable this office to settle the GPF balance in full. If no recovery was made towards GPF subscription during the months reported as missing credits, the same may be clearly shown against the respective months. Further, the DDOs may also be instructed to intimate the fact of sanction of PFW from the GPF account of the subscribers after forwarding of final closure application to this office, to **'THE SR. ACCOUNTS OFFICER, FM I',** by **SPEED POST** to avoid any overpayment.

Yours faithfully,

Encl.: As above
