Our Head Office has reviewed the Credit Sales Outstanding every month and instructed us to collect the credit sales dues within 3 months from the date of sales effected and also point out that Co-optex is facing severe financial crisis due to funds locked with Departments and paying more interest to the Bankers.

Hence, we kindly request to get Budget allotment from Government and allocated to the above Govt. Hr. Sec. Schools / Govt. High Schools for early payment to Co-optex.

Thanking you,

Yours sincerely,
