The Tamil Nadu Skill Development Corporation is conducting the TN Skills 2023 competition under the Naan Mudhalvan banner to find worthy competitors for the WorldSkills competition to be held in Lyon, France in the year 2024. The winners from TN Skills 2023 contests will get rigorous training and support to compete in the regional and national IndiaSkills competition.

The competition's winners will be chosen to represent India at the WorldSkills competition in 2024.

WorldSkills is the global hub for skills excellence and development. WorldSkills brings youth, industries, and educators together to give youth everywhere a chance to compete, experience, and learn how to become the best in their skill of choice.

WorldSkills has built a movement that is changing the lives of young people through skills. Their 85-member organizations reach two-thirds of the world's population and create measurable impact at every level. They build the confidence of millions of young people, empowering communities and fueling economies.

The next edition of WorldSkills Competition will be held in September 2024 in Lyon, France.

IndiaSkills, the country's biggest skill competition, is designed to demonstrate the highest standards of skilling and offers a platform to young people to showcase their talent at national and international levels. IndiaSkills Competition is held every two years with the support of State governments and industry. The next IndiaSkills Competition will be held in December 2023.
