Subject: **INSPIRE Awards-MANAK 2023-24 nominations reg.**

Dear Sir/Madam,

Greetings from National Innovation Foundation –India!

We appreciate you and your teams' continuous support towards the implementation of INSPIRE Awards- MANAK.

As you are already aware, the online nominations for the ongoing FY 2023-24 have already resumed from June 01, 2023 onwards. Similar to previous years, the eligible schools could submit a maximum of five best original ideas / innovations of their student's (Class 6-10) till August 31, 2023.

To facilitate nomination process through mobile phone, we introduced the "INSPIRE-MANAK App" for the student's nominations under the scheme. The app may be downloaded from Google Play Store. It may also be downloaded from E-MIAS web portal. The nomination and log-in process are same as similar to E-MIAS web portal.

I request you to kindly share the information to School authorities, so that schools can submit nominations at the earliest. Additionally, schools which are not yet registered on the E-MIAS portal ([www.inspireawards-dst.gov.in](http://www.inspireawards-dst.gov.in)) may be urged to do so soonest.

We seek your support and coordination to mobilize maximum number of original ideas/innovations even from the remotest sub-districts, so that maximum students can get benefit of the scheme.

I look forward to your support as always!

With warm regards,

Mahesh Patel
