2. Samagra Shiksha, Department of School Education &
3. TAHDCO

Greetings from **HCL Training and Staffing Services (HCL TSS)**, a subsidiary of HCLTech.

HCLTech is India's third largest IT Company with 221,000+ employees working across 60 countries. Every year, besides hiring experienced professionals, we skill and recruit candidates for entry level jobs through **HCL TSS**, which is a wholly owned subsidiary of HCLTech.

HCL TSS offers fee-based skilling program, **TechBee** – for class XII passed out students. The enrolled students can avail financial assistance for training fee through support offered by our partner banks. We are the pioneer in skilling and hiring Intermediate completed students through the TechBee program. Those who become full time employees with us (post 12 months training period), they can continue their higher education from BITS – Pilani/IIT Kottayam/SASTRA University/Amity university/IIM Nagpur or KL University. We partially fund their education fee as well.

HCL TSS has signed an **MoU** with **Samagra Shiksha**, Govt of Tamil Nadu, **Tamil Nadu Skill Development Corporation (TNSDC)**, towards training fee support and Employment of candidates passed out/ passing out in Class XII from Government Schools from Tamil Nadu under 'Naan Mudhalvan' scheme and **Tamil Nadu Adi Dravidar Housing & Development Corporation (TAHDCO)**.

The Eligibility Criteria for Candidates who passed/appeared for Class XII in 2023 candidates have been updated as in link <https://www.hcltechbee.com/job-programs/>

We seek your support to facilitate recruitment of candidates from the district

- Requesting to send advisories on TechBee program to all Headmasters of Higher secondary schools (Government, Private and Government aided)
- Support from the line department officials to organize selection drives across various schools in the District.
- Conduct of Enrollment drives in the district for candidates who have completed Class XII in 2023 or appearing for Class XII in 2024.
- Conduct of recruitment drives which is tentatively planned for Nov/Dec 2023.
- Request support in providing/recommending suitable venue in the district for conduct of drives.

Looking forward to your valuable support and guidance for the skilling and recruitment programs. This will help in Employability of youth from the District by providing them opportunity to start their careers in a global IT company at an early age.

Thank You
