Ref Chennai, Director of School Education Letter R.C. No.
041420/M1/S2/2024, Dated. 10.07.2024

With reference to the above letter cited, WWP – India seeks support for participation of school children across the country for this challenge. The objective of this programme is to engage and educate school students (class from 6th to 9th) to learn about Biodiversity, Wildlife and discover their role in nature conservation at an early age. **The registration for this programme will be open till 31st July 2024.**

The link for the portal is <http://academy.wwfindia.org/wildwisdom//>

For more details, the organizers may be reached through email at wildwisdom@wwfindia.net.

All School Headmasters are instructed to inform teachers to register in the portal by 31st July 2024. A minimum of 50 Children belonging to class 6th to 9th are to be register from each school along with one teacher coordinator per school. Copy of the reference letter cited above is enclosed herewith for necessary action.
