Dear Sir,

Sub : Admission for the CIPET Diploma programs – reg.

Central Institute of Petrochemicals Engineering & Technology (CIPET) (formerly known as Central Institute of Plastics Engineering & Technology (CIPET)) was established in 1968 by the Government of India with the assistance of United Nations Development Programme (UNDP) at Chennai. CIPET is an ISO 9001:2015 accredited premier Govt. of India Institute for higher & technical education and research in the field of polymer science & technology. Today CIPET has a Pan India presence and operates on hub and spokes model with 45 locations to cater more effectively to the need for skilled manpower of Plastics and allied Industries.

CIPET centre at Chennai is the first institute established by Government of India in the year 1968. CIPET Chennai offers Diploma, Post Diploma, Post Graduate Diploma as well as Vocational Skill Development training programs in the niche areas of Plastics Engineering & Technology to fulfil the human resource requirements of polymer and allied industries in the country.

Admission for the following AICTE approved Diploma Programs for the year 2025-26 shall commence from the month of February to May 2025. The students are trained in line with Industrial requirements in the state of art machineries. CIPET Diploma programmes are eligible for admission in B.Tech (Plastics Technology) programs through lateral entry.
