Subject: Invitation to Participate in HDFC ERGO Insurance Awareness Award Junior 2025 - Tamil Nadu & Puducherry Chapter

Dear Sir.

We are excited to bring to your attention a unique opportunity for your students to participate in the <a href="https://example.com/html/>
HDFC ERGO Insurance Awareness Award Junior 2025 - Tamil Nadu & Puducherry Chapter,">
an initiative designed to promote insurance awareness among the youth.</a>

Insurance brings financial resilience and helps in protecting the individuals against unforeseen events. We firmly believe that the future of the country lies in the hands of the young students, and hence it is important to instil insurance knowledge during their formative years, empowering them to lead secure lives as they mature. Since 2016, HDFC ERGO has been organising Insurance Awareness Awards Junior Quiz at a National level and has reached out to ~25 lakh students from across ~200 cities of India – thus making this event as one of the landmark events for the students of this country. The Insurance Regulatory and Development Authority of India (IRDAI) has a vision to ensure 'Insurance For All By 2047' and we are confident that our quiz will nurture insurance literacy among the younger generation while promoting awareness and inclusion across every corner of India.

Reinforcing our commitment to extend insurance awareness to the last mile, we started Insurance Awareness Awards Junior Quiz – Tamil Nadu & Puducherry Chapter in 2024 to impart our young generation with insurance knowledge.

The 1st edition of Insurance Awareness Awards Junior Quiz – Tamil Nadu & Puducherry Chapter 2024 received an overwhelming response with participation of over 211 teams from 124 Government schools across 42 districts of these states.

We are confident that the Tamil Nadu & Puducherry Chapter 2025 will continue to inspire young minds, making insurance literacy a vital part of their educational journey and empowering them to create a financially secure future.

All the students in 8th and 9th grades from government schools across Tamil Nadu and Puducherry can participate in this quiz. Each team comprises of 2 students – both from 8th standard or both from 9th standard, or one from the 8th standard and one from the 9th standard. We invite each school to nominate one or more teams. A maximum of 3 teams can take part in the quiz from each school.

To equip the students with the necessary knowledge on insurance, and prepare for the quiz rounds, we will provide the soft copy of a comprehensive booklet. The participants can use the booklet as a study guide. This booklet will be shared with all the students, who have registered for the quiz.
