DPI Complex College Road, Chennai,  
Government of Tamilnadu.

**Sub: Request for Permission to Allow Students from Government, Government-Aided, and Private Schools in Tamil Nadu to Participate in the National-Level Quiz Titled 'Science and Standards' on 26th April 2025 and Subsequently on the Fourth Saturday of Every Month.**

Dear Madam/Sir,

As you may be aware, Bureau of Indian Standards (BIS) is a statutory body functioning under the aegis of Ministry of Consumer Affairs, Food and Public Distribution, Government of India. It operates various schemes like Product Certification (ISI Mark), Management Systems Certification, Hallmarking of Gold and Silver Jewellery/Artifacts, Laboratory services, Enforcement activity, Complaint redressal, etc., for benefit of industry and in turn aiming at consumer protection.

The *Standards Clubs* established in Schools under BIS's initiative aim to nurture a culture of quality and standards among students, shaping them into future champions of excellence. With the excellent support from your office, standards clubs were created in more than 500+ Schools across different districts of Tamilnadu.

In line with this vision of empowering the students, we propose organizing a **National Level Quiz** titled “**Science and Standards**”, which will be launched on **26th April 2025** and will **continue to be held on the fourth Saturday of every month**. The quiz is open to all the school's students across Tamil Nadu, who are enrolled in BIS Standards Clubs.

This quiz aims to:

- Reinforce key learnings from the *Learning Science via Standards* lesson plans
- Encourage curiosity and a deeper understanding of everyday products
- Foster a spirit of healthy competition and lifelong learning
