

Steps to access the Reports in EMIS School Login

The following steps may be followed to access the School Performance Reports and District/State Reports through the EMIS School Login.

Step 1: Log in to your **EMIS School Login** and click on the **School** menu.

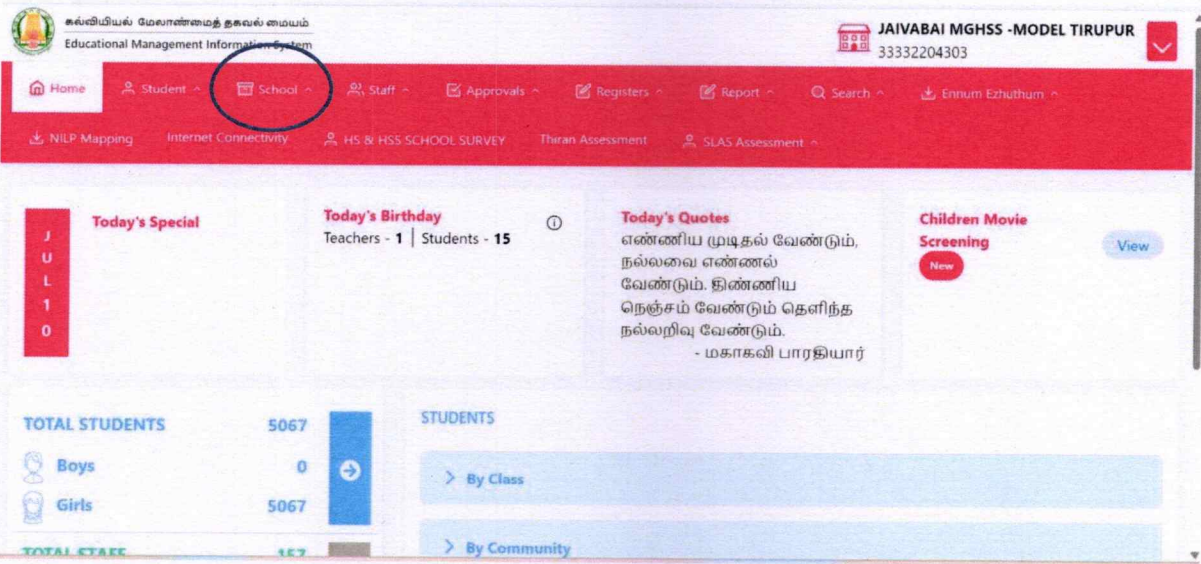

Step 2: Click on **Result Analysis Dashboard** available under the **School** menu.

Step 3:

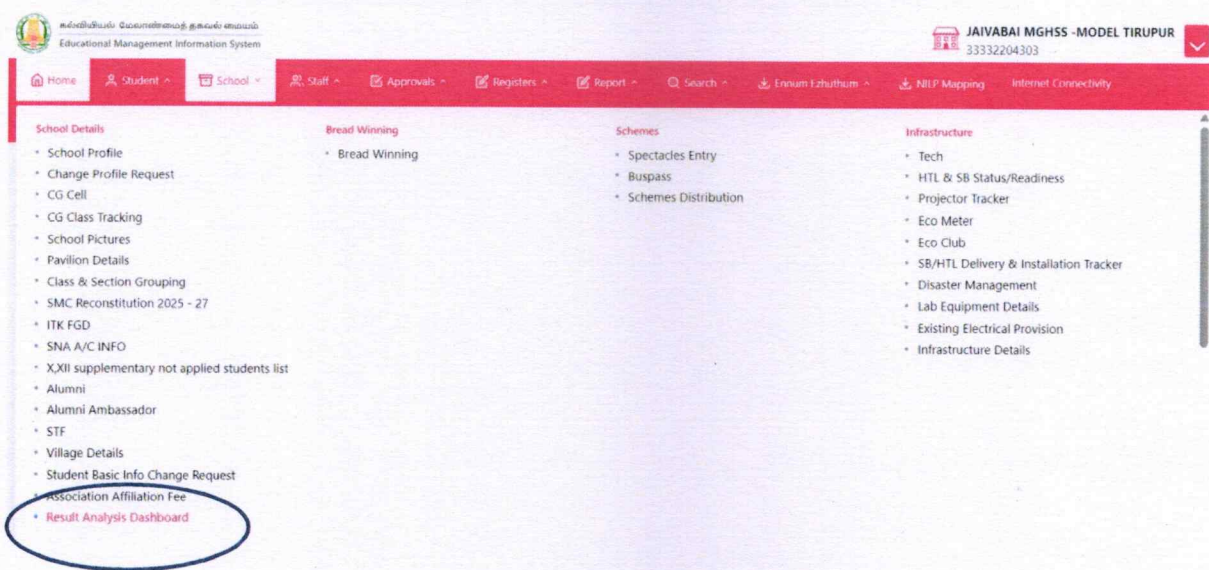

- 1. For School Report, under "**Select the Report Type**" on the left side, click on **School Report** to download the School Performance Report.
- 2. For District Report, click on **District Report** to view and download the District Performance Reports (Government and Government Aided Schools).
- 3. For State Report, click on **State Report** to view and download the State Performance Report.

Screenshots illustrating each of the above steps are provided below for easy reference.

Step 1: Log in to your **EMIS School Login** and click on the **School** menu.

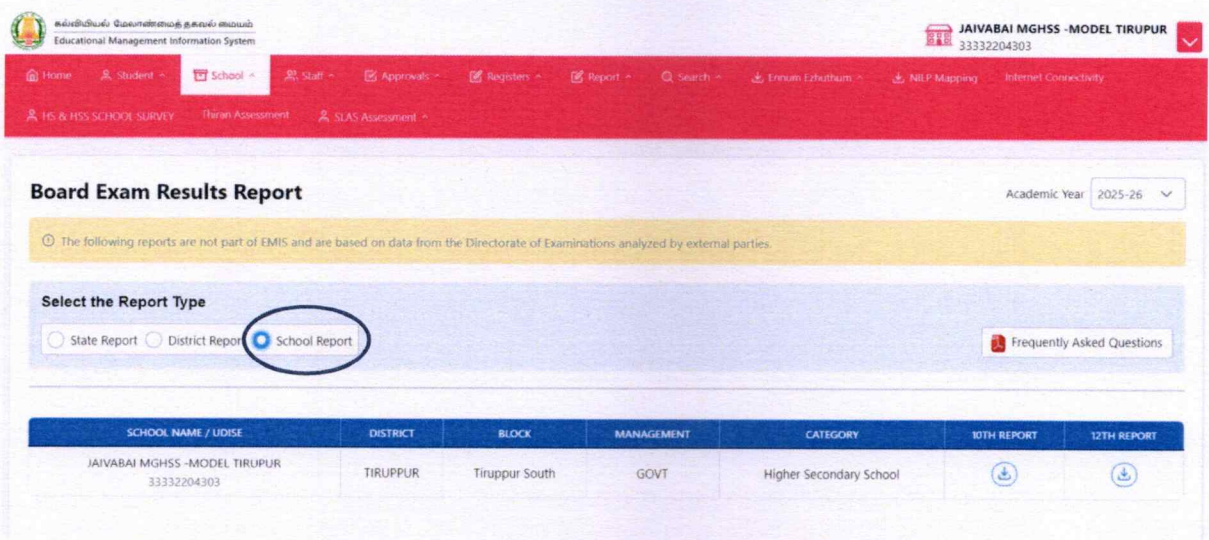

Step 2: Click on **Result Analysis Dashboard** available under the **School** menu.

Step 3:

1. Click on **School Report** to download your School Performance Report.

2. Click on **District Report** to view and download the District Performance Reports for Government and Aided Schools.
