RULES AND REGULATIONS

Introduction: The objective of the Science Seminar is to inculcate a spirit of scientific enquiry and analytical thinking in the minds of young students. The Science Seminar will be held on a competitive basis in each State and Union Territory. The Seminar is organized generally at School, Block/Taluk, District and State level before culminating at the National Level. Winners from each School participate at Block/Taluk level seminars and winners of Block/Taluk level seminars participate at the District level seminars. A maximum of 2 (Two) winners from each District participate in each State/UT level Seminar and only one winner from each State/Union Territory is eligible for National level Science Seminar, which will be held at National Science Centre, Delhi on 30th October 2026.

Participants: High School Students from class VIII to Class X only

Language: English, Hindi or any recognized Indian language

Duration: Each participant shall make the presentation on the given topic for a maximum duration of 6 minutes. This will be followed by a 2 minute Question-Answer Session with the Judges on the same topic. Each participant will be asked 3 questions in the Question-Answer
